for All Girl Scouts**

Your girl's safety is of utmost importance.

Please remember the following when she is selling in-person:

Have your Girl Scout wear her vest, pins, or Girl Scout shirt when selling – something that will identify her as a Girl Scout!

- Never let her sell alone – always have an adult with her.
- Do not go out near or after dark.
- Never, for any reason, approach a parked automobile.
- Never enter a home when asking for orders. If invited to go in, politely refuse and explain that it is against the Girl Scout safety rules for you to go into anyone's home.
